

# College of Alameda

One-Stop Business & Career Center | College of Alameda Campus

## Business Service Highlights

- Connect with qualified employees
- Find out more about business opportunities
- Research state and federal regulations
- Explore the state's economic development services
- Much more!

Our Business Services Representative provides customized no-cost assistance to all businesses, including start-ups. Businesses are able to access various services designed to increase competitiveness and grow the bottom line.

## Employer Services

**Staffing** - The Alameda One-Stop Career Center helps a company and/or business recruit skilled employees, including pre-screened qualified personnel from disadvantaged backgrounds.

**Job Fairs and Recruiting Events** - The Alameda One-Stop Career Center aides in focused recruitment for new business ventures or facilities needing numerous specialized workers in a hurry.

### Business Resources - Alameda Landing

- Draw applicants from college students, Alameda residents, and other career centers that form the East Bay Works labor resource pool
- Conduct targeted employment outreach for Alameda Landing with job fairs held at the College of Alameda

### Business Resources - General

- Free job-posting in the One-Stop Career Center
- Free use of facilities for interviewing and recruiting
- Pre-screening and resume-search services for applicant-job matching
- Labor market information for planning business expansion, relocation, future hiring, and training needs
- Fidelity bonding for employees
- Coordinated workforce preparation services in partnership with local employment and training agencies
